DISCOVER OUR STORY **ABOUT US**

In 2007, ALPHA FIRE SERVICES, also known as AFS, was founded. Since its inception, the company has firmly established itself as a provider of cutting-edge fire protection solutions to the most esteemed developments within the State of Qatar. AFS is a 100% Qatari-owned company, and our primary focus revolves around the supply, installation, after-sales support, and maintenance services for a wide spectrum of fire safety products, ranging from basic fire extinguishers to highly advanced fire protection systems. All of these services are executed by our team of extensively trained technicians and engineers.

Recognized as a Grade "A" rated company by the Qatar Civil Defense Department, Alpha Fire Services stands as a prominent player among the Fire Protection companies in Qatar. Today, we take immense pride in being at the forefront of independent organizations dedicated to the maintenance of fire protection equipment and systems, encompassing all aspects of fire protection equipment and measures.

OUR JOURNEY FORWARD

A MESSAGE FROM OUR CEO

Naoum El. Deeb

CEO (Alpha Fire Services W.L.L.)

As the CEO of Alpha Fire Services, I am honored to represent a Grade "A" fire safety & protection specialist company, that has worked side-by-side with the Civil Defense Department to serve the community in Qatar since 2007.

Our mission is to save lives, protect properties and safeguard the assets of our clients. Therefore, we are keen on delivering to our customers what we promise whether they are enterprises or individuals.

We urge you to safeguard your loved ones, assets and investments by utilizing our systems and services as we bring you the best practices, the highest quality products, the most competitive prices and, most importantly, the industry's highest international standards.

OUR GUIDING PRINCIPLES

VISION, MISSION

OUR VISION

To build a safe and secure environment for our community by providing the highest standards and best value services to protect people's lives, properties, and investments by becoming the best fire services company.

OUR MISSION

AFS is committed to safely providing high-quality and valuable fire protection services for our customers at all times. Our team will work effectively and efficiently to advocate for life safety in our community. We measure our success through the satisfaction and safety of our customer's lives, properties, investments, and our community as a whole. We will contribute to our communities for their betterment. As a "Grade A" fire company, we are working hand in hand with Qatar Civil Defense to ensure delivering superior customer experience as we design, install, service, and inspect fire protection equipment that is intended to save lives and property.

A COMMITMENT TO EXCELLENCE

OUR VALUES IN ACTION

OUR VALUES

Alpha Fire Services commits itself and believes in the following values:

- **Safety** is our priority in everything we do.
- **Integrity** is how we conduct business.
- **Commitment** is what we offer our customers, employees and communities.
- **Reliability** is what we deliver.
- **Growth** is what enables us to keep pace with trends in an ever-changing industry.

WHAT WE DO

OUR SERVICES

Alpha Fire Services is a leading provider of fire protection and safety solutions. With a commitment to safeguarding lives, property, and assets, we specialize in a comprehensive range of fire safety services, including fire alarm and detection systems, fire fighting systems, fire suppression systems, fire extinguishers, maintenance, and fire safety training. Our experienced team of professionals is dedicated to delivering top-tier services that not only meet but exceed industry standards.

We take pride in our ability to tailor solutions to the unique needs of each client, ensuring that they are well-prepared to respond to fire emergencies. At Alpha Fire Services, we understand the critical importance of fire safety, and we work tirelessly to provide reliable, innovative, and cost-effective solutions to protect what matters most. Our mission is to be your trusted partner in fire safety, and we are committed to helping you achieve the highest level of protection for your people and property.

01 FA/ FF Annual Maintenance Contract (AMC)

guarantees the regular maintenance and inspection of critical fire safety equipment and systems, ensuring their reliability in the event of emergencies.

02 FA/ FF One-time Maintenance

Encompasses a solitary, comprehensive service session to inspect and address the condition of fire safety equipment and systems.

03 HVAC Maintenance

Secure dependable, preplanned maintenance and diligent care for heating, ventilation, and air conditioning systems to enhance their efficiency and dependability.

Our goal is to meet our Client's Objectives by offering valued and timely services for ensuring their utmost satisfaction.

04 Facility Management

Encompasses the thorough supervision and upkeep of all tangible assets and infrastructure, guaranteeing their peak condition to support effective emergency responses and day-to-day operations.

05 Refilling, hydrostatic and integrity testing

Encompass the replenishment refilling, testing and maintenance of fire extinguishers and other safety equipment to ensure they are consistently ready for use in emergencies.

06 Supply and installation of FA/ FF systems

The supply and installation of fire extinguishers involve providing these essential safety devices and expertly fitting them in strategic locations to enhance fire preparedness.

07 Rectification

Rectification services entail identifying and addressing any issues or non-compliance with fire safety measures, and ensuring that all systems and equipment are in perfect working order.

08 Inspection and test reports

Involve thorough assessments and documentation of the condition and functionality of fire safety equipment and systems to verify their reliability and compliance with QCDD safety standards.

09 Site survey, recommendation and consultation

Encompass on-site evaluations, expert advice and guidance to optimize fire safety measures, ensuring that the client's premises are well-protected.

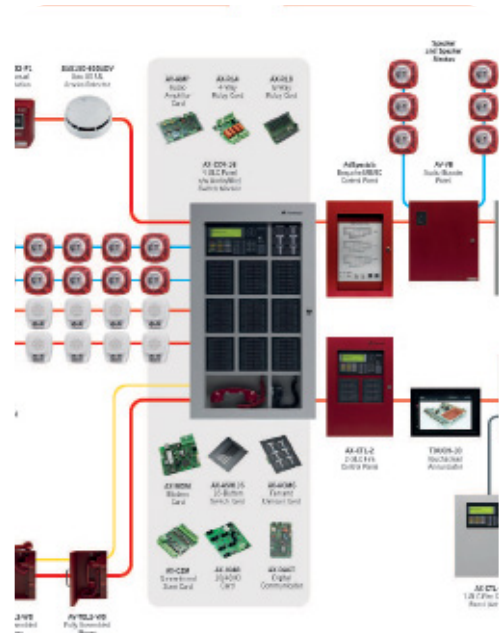

RELIABLE FIRE PROTECTION SYSTEMS & SOLUTIONS

01| FIRE ALARM SYSTEMS (UL AND EN STANDARDS)

ADDRESSABLE FIRE ALARM SYSTEM

- Fire Alarm Control Panel
- Power Supply
- Smoke Detector
- Heat Detector
- Manual Pull Station
- Sounder / Flasher
- Monitor Module
- Control Module
- PA/VA (public address/Voice alarm)
- Fire Telephone
- MIMIC Panel

CONVENTIONAL FIRE ALARM SYSTEM

- Fire Alarm Control Panel
- Power Supply
- Smoke Detector
- Heat Detector
- Manual Pull Station
- Sounder / Flasher
- Zone Indicator

WIRELESS FIRE ALARM SYSTEM

- Fire Alarm Control Panels
- Smoke Detectors
- Heat Detectors
- Manual Pull Station
- Sounder / Flasher
- Monitor Module
- Control Module

STANDALONE BATTERY-OPERATED FIRE ALARM SYSTEM

- Smoke detector
- Heat detector
- Battery-Powered Horn Strobes

02| FIRE FIGHTING SYSTEMS

- Fire Pump Sets
- Sprinkler System
- Fire Extinguisher
- Fire Blanket
- Dry & Wet Riser
- Fire Hose Reel
- Breeching Inlet
- Deluge System
- Fire Hydrant

03| FIRE SUPPRESSION SYSTEMS

- Kitchen Fire Suppression System
- FM200 System
- Aerosol System
- Novec System
- Pre-Engineered systems (direct and indirect)
- Pre-Action Suppression System
- Foam Suppression system

ALPHA FACILITY MANAGEMENT

ENSURING SAFETY AND EFFICIENCY IN EVERY SPACE

INTRODUCING

Welcome to Alpha Facility Management Company, a part of Alpha Fire Solutions (AFS) dedicated to providing comprehensive facility management services. At Alpha Facility Management, we understand the importance of maintaining a safe and efficient working environment for our clients. As an integral part of AFS, we have expanded our scope of work to offer a one-stop solution for all your facility management needs.

ENHANCED FACILITY MANAGEMENT

YOUR PARTNER IN COMPREHENSIVE SAFETY AND MAINTENANCE SOLUTIONS

At Alpha Facility Management, we go beyond routine maintenance; we act as your partners in creating a secure, safe & healthy workplace. Our integration with the **"fire protection"** industry allows us to provide a holistic approach to safety, ensuring that your facilities are well-equipped to handle any unforeseen challenges.

With a commitment to excellence and client satisfaction, Alpha Facility Management is your entrusted partner with all your facility management needs. Our partnership will allow you to experience the difference of comprehensive solutions catering to the diverse aspects of maintaining a well-functioning and safe environment for your business.

SCOPE OF WORK

Our Scope of Work includes Planned Preventive Maintenance (PPM) activities tailored to ensure the seamless functioning of your facilities.

Moreover, AFM supports its clients with on-call services and emergency call-outs 24/7.

Our team of skilled professionals is adept at handling a wide range of services, including:

QUARTERLY SERVICES:

Electricity :

Regular checks & maintenance to ensure electrical systems are in optimal condition.

CCTV :

Ongoing monitoring and maintenance of CCTV systems for enhanced security

Plumbery :

Efficient management of plumbing systems to prevent disruptions & address issues promptly

Paint (Touch Up) :

Periodic touch-ups to keep your premises looking fresh and well-maintained.

Carpentry :

Quarterly inspections & repairs to maintain the structural integrity of your facilities.

Pest Control :

Effective pest management to safeguard against infestations & ensure a hygienic environment.

MONTHLY & YEARLY SERVICES:

Air conditioner :

Scheduled maintenance to optimize the performance of air conditioning systems.

Civil Works :

On-call basis support for any civil maintenance or repair requirements.

Tank Cleaning & Sterilization :

Thorough cleaning & sterilization of tanks to ensure water quality.

Garbage Bag (Once per Month) :

Regular waste disposal to maintain cleanliness and hygiene.

In conclusion, Alpha Facility Management is committed to delivering exceptional Planned Preventive Maintenance (PPM) and a variety of essential services. We are dedicated to keeping your premises secure, hygienic, and well-maintained, offering peace of mind regarding the safety of your assets & resources.
